God's Purpose For This Generation

I believe that God has a special purpose for my generation and me. I ask God to Ignite in me a desire to discover this purpose.

I commit to:

Include Jesus in my moral life, my thoughts, words, actions and relationships.

This is all about:

- making Jesus Lord of your life
- letting Jesus into every area of life, even the secret bits
- being consumed by Jesus
- being obedient to Him
- developing character to be more like Jesus
- "loving the Lord your God with all your passion and prayer and intelligence and energy" (Mark 12.30 M)

Grow closer to Jesus through studying the bible, praying and allowing the Holy Spirit to lead me each day.

This is all about:

- intimacy with Jesus
- deepening the relationship
- one-2-one you and Jesus
- quiet times listening to God
- letting the Bible come alive
- no spiritual BO but a fresh walk with Jesus
- "letting the Holy Spirit fill and control you"(Ephesians 5.18 NLT)

Network with other Christians in my city, my country and throughout the world.

This is all about:

- relationship with other Christians
- building bridges with other followers of Jesus
- checking out other believers in your area and all over the world
- being part of a world wide family
- being of one heart and one mind
- "getting along with each other as well as Jesus gets on with us all"(Romans 15.5 M)

Involve myself in a local church and respect its leadership.

This is all about:

- being part of the body of Christ
- being in church on Sunday
- praying for your leaders
- supporting your leaders
- serving in the church
- being “called to travel on the same road and in the same direction, so stay together both inwardly and outwardly” (Ephesians 4:16)

Take the message of Jesus into my school, college or place of work and the world by praying, living and witnessing so that everyone may have an opportunity to know Jesus.

This is all about:

- talking about your faith in Jesus
- not just “talking” but “being”
- not just chat but lifestyle
- not just words but actions
- praying for your friends who aren’t Christians
- “your lives being a letter that anyone can read just by looking at you” (2 Cor. 3:3)

Explore God’s will for myself and my generation and seek to follow it.

This is all about:

- discovering God’s purpose
- getting involved in the adventure
- being obedient
- keeping on the journey
- making lifestyle decisions that will impact you forever
- saying to God “I want your will, not mine” (Luke 22:42)
